# TAMOIL CompanyCard

Our fuel card for companies

## TAMOIL *CompanyCard*'s benefits

- **Permanent discount on fuel**

Receive a discount on every litre of gas and diesel you fill up. The more fuel you purchase, the bigger your discount!

- **250 gas stations at your service**

The card gives access to TAMOIL's Swiss network consisting of 250 service-stations, present in all regions of the country.

- **No card fees, no administration fees**

The card is free from administration costs or annual card fees. Additional cards with a personalised inscription are also free of charge. You only pay for what you purchase.

- **Secure payment with PIN code**

A PIN code protects every card from misuse by a third party. Indicate your code(s) of choice on your card request or receive randomly generated codes.

- **Personalized purchasing authorizations**

Select the merchandise categories your employees are allowed to purchase with their card, on what days and at what time of day. Simply inform the TAMOIL Card Centre about your needs.

- **VAT compliant monthly invoice**

All transactions are clearly detailed by card in a monthly invoice compliant to VAT standards. Thus, no more cumbersome collecting of receipts and filling out of expense reports by your employees!

The invoice will arrive within 10 working days from the end of the month. In general, the full amount must be paid within 20 days.

- **Easy online account management**

Access numerous services through your online account on [www.tamoilcard.info](http://www.tamoilcard.info). Manage your card portfolio (order new cards, block lost cards etc.), view monthly consumption reports, consult all card transactions and monthly invoices.

Once you have received your cards, simply sign-up for your online account on [www.tamoilcard.info](http://www.tamoilcard.info).
